Contract cancellation

Only the savings benefits indicated above will be used to calculate the cancellation penalty payable by the consumer.

The contract may be cancelled at any time by sending a notice. When you cancel your contract before the end of your commitment period, you must pay the balance owing on your device at that date. The cancellation penalty is calculated as follows:

(Discount on the price of the device X remaining number of months) ÷ 24

Terms governing contract cancellation

Total amount to pay each month

For more information on the usage rates for services not on the contract or when the contract's service limits are exceeded, visit www.celmobilo0000.com/usageratesinfo.
