

# What Do You Think?

Before the debate, fill out the table below to determine if you are for or against (and why?) the question asked for each topic. After the debate, answer the questions in the table again to see if your opinion has changed.

	Before the debate		After the debate	
	For	Against	For	Against
With such a high rate of obesity among children, should we continue to allow junk food advertising?				
According to specialists, pollution from cars is having a major impact on global warming. Should automobile advertising be prohibited?				
It has been shown that prominent personalities who promote certain products (clothing, cars, toys, food, etc.) have an impact on sales figures. Are you for or against using stars in ads?				
Is advertising that promotes green products more acceptable?
